

Featured in Dewan Ekonomi again

Kepada semua yang tertunggu-tunggu update dari saya, ini ada sikti update lah. Untuk gamabr wedding skrg masih dalam peringkat berpusu2 menyiapkan album dan ketepikan dahulu urusan upload new pictures. Slowly will be done. Jgn risau, saya tak ke mana-mana pun. Ada jer di sini. Btw, smlm pegi Mydin USJ dan grab 1 naskah ni, pasal dalam tu ada gambar dan artikel berkenaan saya hehehe.

Thanks Noor Shuhada Mohammad Yusof for the write-up. Cuma org mungkin tertanya2 jugak lah pada umur saya 29 tahun macammana saya mengajar di limkokwing pada tahun 1992 kan (rujuk artikel), sebenarnya mungkin ada typo sikit kot, saya berhenti dari limkokwing university as a lecturer pada 2002 ☐

That sound more practical lah pasal tahun 1992 saya baru 13 tahun hehehe. Btw, I'm glad some people honoured me with this kind of write-up. Without you my readers, i believe I still nowhere. Saya masih terus menulis kerana ada lagi yg sudi membaca, saya masih lagi ambil gambar kerana masih ada yang sudi melihat. Thanks to all readers! you are wonderful readers!

Berehat Sebentar

Hi readers, thanks for still visiting my blog. January is the beginning of the year and as usual, we're getting so busy to achieve our annual target (hopefully in the first of 2nd trimester of this year). Currently I'm writing a lot of tips for mummies who love in taking photo at www.thephotomama.com. It was a fantastic community. We have about 300 registrant for our website and 100++ participants in our FOC community forum just in 11 days. It's awesome.

Btw, I'm still a wedding photographer by pro"passion" but I love to share my joyous moment photographing Orked with all the mothers. Because I believe all mothers should at least know the basic to photograph good pictures of their baby / kids. Nobody can hire a professional to do that job EVERYDAY...so, we hire them once in 4,6 or 12 months but still get our children photograph for the remaining days. That's

fantastic and I love to share this little thing I know through the community. Even better, weekly tutorial for all mothers in VIDEO!!

WEDDING ENTRIES

To all my wedding photography viewers, don't be sad. I'll be updating more and more and more and more weddings. Keep your eyes on this blog and I'll definately will post it here ☐

Enjoice!

Menjawab Persoalan – Kami tak Sama

Sejak sebaran tentang pemasaran seorang jurugambar melalui flyers dan juga namecard beliau di wedding expo di Ampang baru-baru ini, telah timbul banyak persoalan yang bolehlah saya ringkaskan begini...

ADAKAH SAIFUL NANG & SAIFUL LANG ADALAH ORANG YG SAMA?

Jadi, jawapan saya ialah...TAK. Kami adalah orang yang berlainan yang mungkin kebetulan mempunyai nama BAPA yang sama. Saya ialah Saiful BIN Nang dan mungkin satu lagi tu ialah Saiful bin Lang. Klik sini utk lihat [Saiful Lang](#) dan sini pula untuk [Saiful Nang](#). Lain kan???

By a Phone Camera - Nokia E90 3.0MP

Believe it or not? this picture taken by only using a handphone camera and a natural light without any flash fired. It's all about how you utilise whatever things u have. A phone camera, a carpet and of course...a baby. With the right amount of light and some photographic tips as well as the technical Dos and Don'ts, then we can frame...
